

Marie Keating **...Making cancer less frightening by enlightening**

FOUNDATION

We need your help

The Marie Keating Foundation does not receive any government funding and all of our services are provided free of charge. It is through the amazing support of fundraisers, volunteers and corporate supporters that we reach over 16,000 people annually with our Mobile Information Units, and give Comfort Fund Grants to over 200 individuals and families who are struggling financially due to a cancer diagnosis and treatment.

Without your continued support, the Marie Keating Foundation simply could not continue to provide these vital services. If you think that you can contribute anything- time, funds or a helping hand- we would love to hear from you.

How you can help us:

Fundraise for us

Every cent that you give makes a huge difference. There are lots of ways that you can fundraise and we'll be with you every step of the way. Run a marathon; hold a Girls Night In; do a bag pack - whatever you fancy! For ideas or support, contact Fiona at fsullivan@mariekeating.ie or call (01) 628 3728.

Volunteer

There are loads of rewarding ways to lend a hand- like at bag packs, fundraising events or in our head office. Give us a call on 01 628 3728 to see how your little bit of time could make the world of difference.

Make a donation

We are completely reliant on the generosity of the public, companies and organisations to raise over €1 million each year. Every donation matters. If you would like to support our vital work, please make a donation on mariekeating.ie or using the attached form or become a regular supporter using the direct debit mandate on the reverse.

Leave a legacy

We are striving towards a world free from cancer. When making your will, consider making a bequest to the Marie Keating Foundation so that we can continue our important work into the future. Speak to your solicitor for more information.
